No Faith in War

Join the demonstration

Tuesday 3rd September

“No Faith in War”, all day from 9am

This day is part of a week of action, 2nd - 13th September,
seeking to stop the DSEI Arms Fair at the
ExCeL Exhibition Centre, East London

Many religious traditions hold that working for peace is central to their belief system.

Our spiritual reasons for opposing the arms trade are as diverse as our religious traditions and personal spiritual paths but we come together united by our belief in peace.

Take part and observe creative, spiritual, moving acts of prayer and worship from different traditions, music and much more.

What should I bring?

Prayers, percussion instruments, food to share, water, weather-appropriate clothing - ready for a full day outside. Bring texts and symbols of your faith, prayer flags, and banners. Together with our hands and human arms, we will surround things with love not hate! If you've never been before look out for the welcome tent.
